1. Read proceedings of the last meeting dated 18th June 1903.

Recorded.

2. Read details of receipts and expenditure for April, May and June 1903 and of the year 1902-03.

Passed.

3. Read Government Proceedings No. 769-777—L. F. 357-92, dated 13th August 1903, calling for an expression of opinion regarding the occupancy of in-patient wards attached to the Local Fund Dispensaries, by the Hospital Assistants at a reasonable rent.

The Board are unanimous in considering that it would be a retrograde step to allow the in-patient wards to be put to this use. Further, these wards are wholly inadequate and inconvenient as dwelling houses. It is suggested that pressure might be brought to bear on Hospital Assistants to force them to make in-patient wards more popular.

4. Read Government Proceedings No. 9394-403, dated 27th July 1903, directing that the amount of scholarships, Examination fees and other charges of the Pupil Hospital Assistants, which used to be met from District Funds up to the year 1901-02, be debited to Medical budget from 1902-03.

Recorded.

5. Read Secretary's docket No. 1130-7—L. F. 59-03, dated 9th September 1903, calling for the opinion of the Board, regarding the draft rules proposed for the use of musafirkhanas in the State.

The Board consider the rules proposed as very necessary. It is suggested that the care-taker should be provided with a complete list of cooking utensils and other articles supplied by the Board, and be held responsible that they are not lost or stolen. They suggest also that the word musafirkhana in the order should be amplified into "*Musafirkhanas* and *Chattrams* which are the property of, or maintained by, the Local Fund Board."

6. Read Subject No. 102 of the Dasara Representative Assembly of 1901, regarding the appointment of a sweeper to each village containing a population of 500 and upwards.

The Board are of opinion that this matter may well be left over for the decision of the new Taluk Boards, and after July 1904 to Union panchayats, wherever formed.

Recorded.

8. Read Government Proceedings No. 18301-9—L. F. 344-96, dated 30th June 1903, forwarding a list of candidates, who passed out of the Indigenous Hospital at Mysore in the Hindu and Unani systems of medicine.

(*Note.*—Copy of the above resolution to be sent to each of the Vice-Presidents of Municipal Boards in the district.)

The Board agree to this expenditure as the work is somewhat urgent, this road being the most important one in the district.

10. Read Executive Engineer's Nos. 357 and 413, dated 7th September 1903 and 31st October 1903, respectively, requesting an additional grant of Rs. 4,879, under repairs for repairing 3rd class travellers' bungalows and certain roads damaged during the recent heavy rains.
